

Service When YOU Need It!

The Benefits Of Doing Business with U.S. Linen & Uniform

Local

U.S. Linen & Uniform is the only locally owned and operated linen and uniform supplier. We have been locally owned and operated by the same family since 1944.

Employment

U.S. Linen & Uniform employs 55 local employees. Our annual payroll is over \$1,250,000.

Quality And Service

U.S. Linen & Uniform guarantees its service and quality to be superior to any other service in the area.

Local Economy

Since money turns over 7 times before leaving the local area, our annual sales give a \$30 million dollar boost to the local economy.

Emergency Needs

U.S. Linen & Uniform is local, therefore we can take care of any emergency that needs prompt attention and we now offer evening and weekend after hours support.

Full Service Supplier

U.S. Linen & Uniform is a full service linen and industrial supplier. We supply mats, mops, uniforms, coveralls, shop towels, bar towels, aprons, and table linen.

Flexibility

U.S. Linen & Uniform can set up your account the way you want it. We can set up the deliveries to meet your time needs and we can make the delivery in the manner that you require. We can set up the billing with different accounts, different departments within one account, by itemizing line by line, or any combination of these.

Garment Control

U.S. Linen & Uniform is one of first companies in the country to have the ultimate garment control system, bar codes. The bar code system can provide you with information about each individual garment including when it was last turned in, how many times it has been turned in, and when it was originally issued.
