

Service When YOU Need It!

The Benefits of Cloth Roll Towels

Environmental Concerns

Reduces solid waste.
Cloth towels are reusable.
Reduces the need for single use disposables.

Cleanliness

Hygienically the best way to dry hands.
Removes significantly more bacteria from wet hands than paper or air dryers.
Eliminates the possibility of paper towels on the floor.
Cloth towels are 4 times more absorbent than paper.
The dirty part of the towel is rolled back into the cabinet.

Economy

Requires less janitorial time. It takes time to pick up and throw out trash.
Eliminates waste usage. Paper dispensers provide an unlimited paper supply.
Checking and stocking towel cabinets is quick and easy.
No investment in cabinets or towels.

Maintenance

Reduces the likelihood of plumbing problems.
Eliminates the fire hazard potential of waste paper.

Scheduled Service

Regular exchanges of cloth towels require less storage space than paper.
Insures towels are always ready to provide the service they are designed for.
